Re: In Re September 11 Litigation, 21 MC 101 (AKH)

Dear Judge Hellerstein:

I write on behalf of 7 World Trade Company, L.P. ("7WTCO.") On September 11, 2012, 7WTCO. will file its opposition to the United's motion for summary judgment relating to 7 World Trade Center. The exhibits to this opposition will exceed the permissible size limitations for electronic filing. Consistently with how we have dealt with this for prior motions, we will file the exhibits on a disk. In accordance with Paragraph 5 of the Southern District's "Procedures for Electronic Case Filing," we seek your permission to file the exhibits in CD format.

If Your Honor approves of this procedure, we request that this letter be "So Ordered".

Respectfully,

Jason T. Cohen
